CCPOA Benefit Modifications Still Under Consideration

CCPOA's June 20, 2006 rate letter states that the CCPOA Benefit Trust Fund Board of Trustees will mirror benefit modifications adopted by the CalPERS Board for CalPERS-sponsored plans up to the following limits:

- Office visit copay increase of \$10, resulting in a reduction of proposed rates by .994%.
- In-patient hospital admission copay to \$250, resulting in a reduction of proposed rates by .86%.

**PORAC Insurance and Benefits Trust**

**Basic and Medicare Plans**

There are no benefit changes proposed by PORAC for 2007.
